### How it works:

- 1. Choose how you want to sell:** As a hobbyist you can choose to let us know what produce you are bringing to the Farm Gate in advance so that we can put it on our online shop and allow for pre-orders each week. This allows us to gauge the demand and tell you how much produce you should bring. Alternatively you can choose to have your produce in store for on-the-spot purchases only.
- 2. Hobbyists must deliver their goods to Gordon Farm gate before 9am on Saturday mornings.**
- 3. On arrival you will be asked to fill out a 'Hobbyist Produce Sales Form'.** This form outlines what produce you have brought into the shop and the \$RRP. We will also use this form to record how much produce was sold and how much is remaining. This will be done every time you drop goods off to the shop.
- 4. Hobbyists will receive 80% of sales which will be deposited into their nominated bank account. Gordon Farm Gate will keep 20% of sales.** Please note, payments can take up to 30 days. For tax purposes we need to put hobbyist transactions through the same process we would any other business, and this takes a bit of time.
